

25

YEAR

WARRANTY

LIMITED WARRANTY

Replast Eco › Recycled Plastic Lumber

Ultraplast FG Series • Advantage+ Series • All Replast Eco Profiles

This warranty is issued by Re-Plast Eco Inc. (the "Manufacturer") and applies to all Replast Eco recycled plastic lumber products distributed by BUILDGREEN Products Inc. This warranty is subject to compliance with the installation guidelines prepared by the Manufacturer.

1 Coverage – Decay & Cracking

Subject to compliance with the installation guide prepared by Re-Plast Eco Inc., the Manufacturer guarantees Replast Eco materials against decay and cracking for a period of 25 years, beginning on the date indicated on the original copy of the initial sales receipt.

2 Remedy – Replacement of Defective Materials

By virtue of the current Warranty, the Manufacturer undertakes to replace any defective Replast Eco materials with new Replast Eco materials, for the period of this Warranty and upon presentation of the original copy of the initial sales receipt. The Manufacturer is not responsible for any other direct or indirect damages, whatever the cause, including all removal and installation costs.

3 Installation Compliance

To obtain better results during use, it is essential that Replast Eco materials be installed in accordance with the installation guide prepared by the Manufacturer. Re-Plast Eco Inc. claims no liability or responsibility for the improper installation of this product.

4 No Additives Required

The Manufacturer guarantees that no additives whatsoever are required to preserve Replast Eco materials used for residential, commercial, or agricultural purposes. No paints, stains, sealers, or preservatives are needed throughout the product's service life.

5 Acceptance of Warranty Terms

In purchasing Replast Eco materials, the buyer accepts the current Warranty and acknowledges that, insofar as permitted by law, the current Warranty supersedes any other legal warranty regarding Replast Eco materials.

6 Soiling & Cleaning

Any soiling of Replast Eco materials through usage is considered normal and remains wholly the responsibility of the buyer. The cleaning of Replast Eco materials does not damage them, and remains wholly the responsibility of the buyer. Refer to the Replast Eco Cleaning & Maintenance guide for recommended procedures.

7 Weathering & Discolouration

Discolouration of Replast Eco materials exposed to sun and adverse weather is considered normal and does not constitute damage to the Replast Eco materials. This characteristic is inherent to all exterior recycled plastic lumber products and is not covered under this warranty.

This warranty gives you specific legal rights. You may also have other rights which vary by province or jurisdiction. Re-Plast Eco Inc. reserves the right to modify or update warranty terms without prior notice. For warranty claims, contact your authorized distributor or Re-Plast Eco Inc. directly with proof of purchase.
